

1. Skill Development Group:CSIR - Integrated Skill Initiative [NWP 100]

Under CSIR-Integrated Skill Initiative, CSIR-CECRI is conducting regularly the Refresher Courses to the industrial experts and Skill Development Training Programme to the academic students of various categories as per scheduled plan. As a part of the skill training category we are planning to conduct a one-week online Skill Development Training Programme on "Electrochemical Power Sources: Lead acid Battery- Care & Maintenance" between 08 - 12 November, 2021.

Link for joining the Training:

1. LINK- for INAUGURAL FUNCTION BETWEEN 10:00 AM to 10:50 AM ON 08.11.2021
