Note 1: For purpose of Column 9, the term "lease" would mean a lease of immovable property from year to year or for any term exceeding one year or reserving a yearly rent. Where, however, the lease of immovable property is obtained from a person having official dealings with the Government servant, such a lease should be shown in this column irrespective of the term of the lease, whether it is short term or long term, and the periodicity of the payment of rent.

Note 2: In column 10 should be shown:-

- Where the property has been acquired by purchase, mortgage or lease, the price or premium paid for such acquisition;
- Where it has been acquired by lease, the total annual rent thereof also; and
- Where the acquisition is by inheritance, gift or exchange, the approximate value of the property so acquired.
